Dear Alan,

Reference: **Harry's Hydro**

We would like to express our sincere appreciation for your exceptional generosity in support of the Harry's Hydro charity. Your commitment has been incredibly helpful and has allowed us to reach our goal of completing the car park in time for the official opening of the hydrotherapy pool. The charity, as you will be aware, will provide a much needed benefit to all who would gain from the pool, in addition to the local community.

So that you are suitably recognised for your contribution to the cause, can you kindly send a copy of your corporate logo to Amy Keverne at amy.keverne@wainwright.co.uk before Friday 2nd March 2012? This will be added to the "With Thanks" board which will be positioned in the main reception area of the pool.

There will be an official hand-over of the car park to the trustees of Harry's Hydro charity, and when the date has been arranged, we will contact you with the detail in the hope that you will be able to attend.

Your support means a great deal to the charity, and they have asked us to pass on their sincere gratitude...

"Harry's Hydro Trustees are immensely thankful to the team at Wainwright's, and all their suppliers and contractors who have contributed to the construction of our car park. The job has been done so efficiently and professionally, and without the support of Wainwright's and their team we would have had to delay the opening of the Hydrotherapy Pool. So a huge thanks to you all involved, and we would love you to be at our opening party – we will let you know the date!"

Yours sincerely,

Peter Barkwill
